Traditionally, a yearbook is dedicated to the recording of important events of the school year. The 1973 yearbook staff has not broken this tradition. Yet you will find unique changes in this year's EAGLE. These changes were not made simply to be different, but in order to capture the changes which have occurred in school the past year.

Changes have occurred, not only in the building, but in the curriculum, the students, the teachers, and the community. The new Brandon Senior High School is the result of a dream. It was the dream of many people, made real by the efforts of many more. No one person structured the "new" Brandon High. It was built by many, and each person involved has added his personality to the totality called Brandon Senior High School.

The 1973 EAGLE staff has tried faithfully and realistically to capture not only the structure of the new school but also its essence. The 1973 EAGLE has changed to reflect this unique year at Brandon Senior High School.

A good administrative staff is important in any school to keep it running smoothly. Assisting Mr. Flagg, our principal, were Mr. Nelson and Mr. Briant who coordinated the overall school program and provided leadership. Mr. Johnson and Mrs. Wilson kept the students themselves in order.

The secretaries were also important in assisting these people. Mrs. Skinner is secretary to Mr. Flagg, Mrs. Cornette to Mr. Nelson, and Mrs. Hult to Mr. Briant. Mrs. Carter works with the deans.

The Guidance and Human Relations personnel were very important to Brandon this year. Mr. Jones and Mrs. Ward were available to rap with students concerning problems of any kind. Mr. Feeney, the Occupational Specialist, was new this year. His job was to do research into job opportunities and then pass this on to students. He also worked with students about how to apply for a job and where to write for more information.

In the fast-paced society of today, having proper communication skills is a necessity. The learning concept does not come overnight but is acquired only through years of study, determination, and dedication. These fine instructors at BHS have not only dedicated their lives to making the student feel at ease with knowledge, but they have also worked toward the betterment of the curriculum offered so each individual can meet his own needs in society.

Sixteen teachers and hundreds of students help to make this year's English program the best ever. With programs centered around the theme "communication" brand new classes have provided a new insight into the English language and its functions.

Among these, broadcasting is the most popular. This gives students a chance to "get behind the lines" and discover what an interesting and challenging career broadcasting is.

Speedreading, another newcomer to Brandon High, helps to prepare college-bound students for future studies and pleasure reading.

Special stress has been placed on oral interpretation classes as they help prepare young men and women for the personal and business contacts they will be making in the future.

The new team plan for teaching has proved to be a giant success and is enjoyable for both student and teacher.

Occupational Readiness helps to prepare students for special careers not offered in Brandon's regular curriculum. Film and photography are the newest addition to this subject's plan. A special emphasis is placed on these classes, as they pave the road to a happy and successful life for many students.

EDUCATION

Business Education is designed to provide students with basic business economic experiences and a high degree of training to meet their vocational needs. There is shorthand, typing, and bookkeeping.

Special programs as DCT, CBE, and VOE are offered.

DCT lets students go to school part of the day and then go to work the rest.

CBE offers the student a chance to work in business offices and use the training they obtained in school.

VOE allows the student a chance to work in jobs and projects they would have in an office occupation. They learn how to use different machines.

The highlight of the Home Ec. department at B.H.S. is the modern kitchen- and well advanced sewing equipment. Also a delightful addition is the all new child development center with its complete line of educational and recreational activities designed for the benefit of ~~the student~~ as well as child. It is also a class for bachelor living. And we have a new subject for girls known as cosmetology, which prepares them for an immediate career.

The Social Studies Department aided students in recognizing their responsibilities in our state and federal government. World History teachers taught of other cultures and the growth of the world. Geography was the study of land surfaces. Psychology gave the students the opportunity to study their own problems. Sociology led to the discovery of society's structure. American History courses taught students the background of the United States Government.

Agriculture is a course offered to students interested in following careers in production of food or the transportation and marketing of food, fiber and forestry products.

Students taking Ag. are not confined to the classroom. They use the knowledge and skills they learned in class, at home, and on the job.

Some of the activities of the Ag. students are the Jr. Ag. Fair, National FFA Convention in Missouri, Florida State Fair, and meat judging and local county field trips to outstanding agriculture operations.

Howard Raulerson mops up before Homecoming Dance

CUSTODIANS

Students never saw many of the custodians who worked hard after school hours cleaning our school. There were 14 janitors and matrons this year who kept both the inside and outside of our school looking nice. Besides cleaning, janitors also had other duties. Mr. Long ran the bookstore and Mr. Gave was the electrical and air-conditioning repairman.

DEDICATION

Dan Handley, Chief Architect for Watson and Co.

Student leaders discuss Congressman Gibbons' remarks.

Mrs. McLane and her son Ted

Eagle in tree

The formal dedication of the new Brandon Senior High School was held on September 28, 1952. The ceremony was given by the Honorable Sam Gibbons. A highlight of the ceremony was the presentation of oil portraits of two former and the present principal of BHS.

A special dinner for dignitaries was held prior to the dedication in the Home Ec. suite. Following the ceremony the guests were given a tour of the school and served refreshments.

Mr. Fagg and Paul Wharton

Mrs. Laura McLane

Pep Assemblies were held every Friday before a game with skits from the cheerleaders, songs from the band and pep talks from the football captains. As a result of a large student body the assemblies were split into two periods. The maroon and white spirit stick, a new tradition at BHS, was given each week by the cheerleaders to the most spirited class.

To end the assemblies the students and teachers, with the help of the band, sang Brandon's Alma Mater

Brandon Eagles lead the way!

CAN STACK

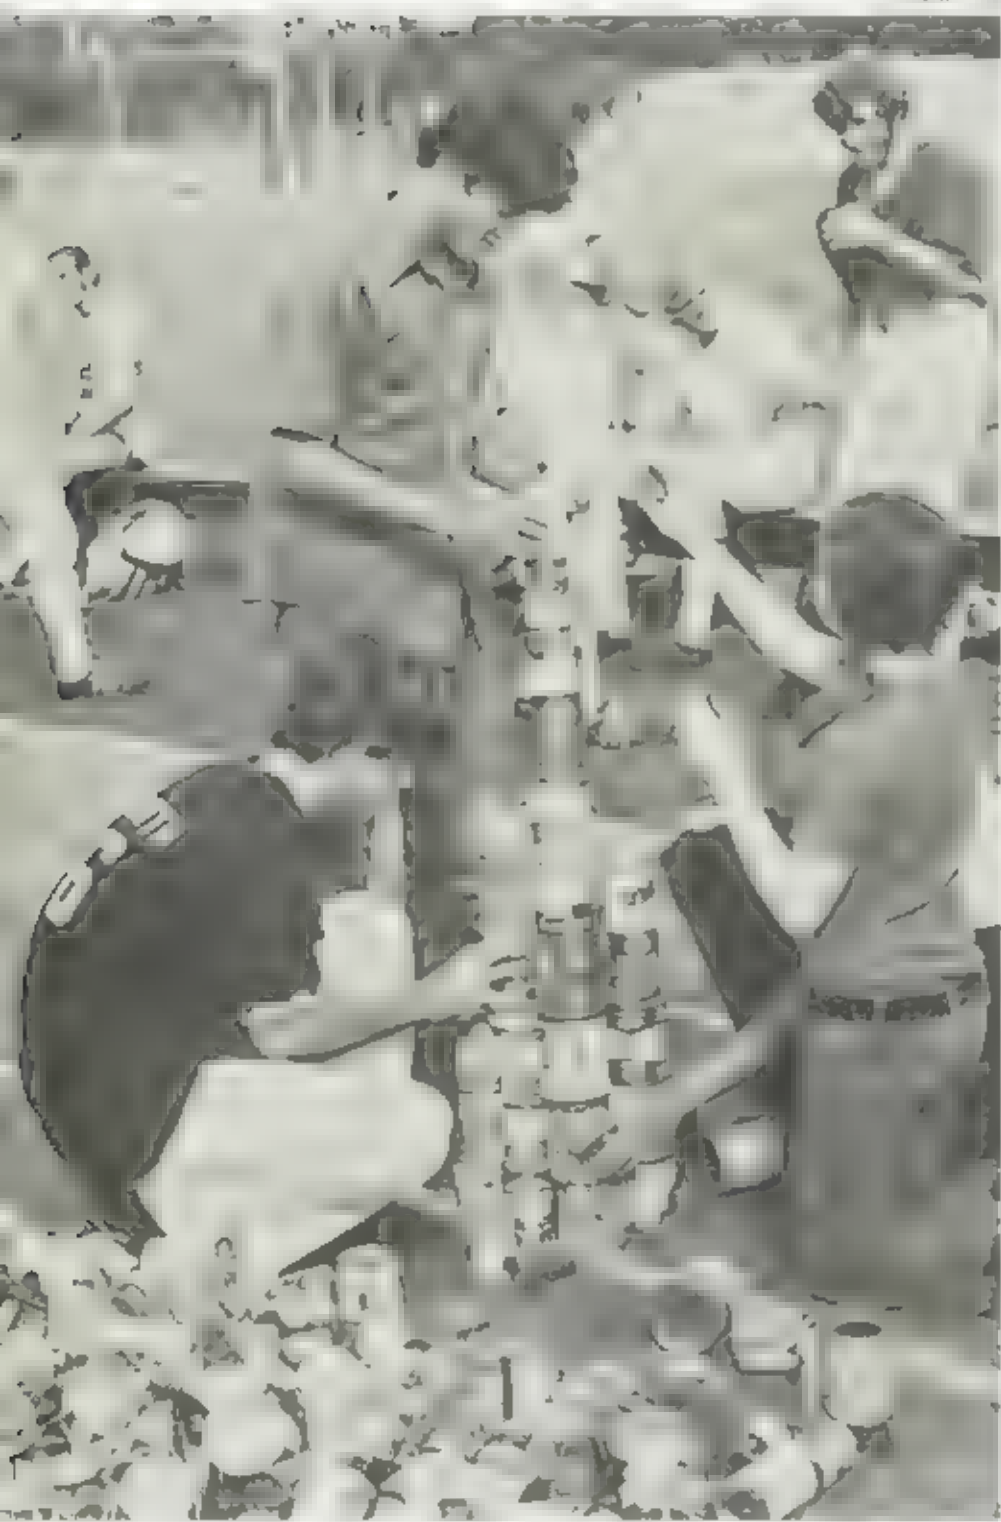

The can stack for 1972-73 was great. Each year just before Thanksgiving, JHS students collect canned goods for needy families.

The cans were gathered in the gym during the week of November 5-17. The contest was held after school on Tuesday, Halloween of Spirit Week.

Once again sophomores succeeded in stacking more cans than the other two classes.

Thank God that we learn to give and share with others who don't have

This year the can stack was won by the sophomores once again.

The juniors work hard at trying to win

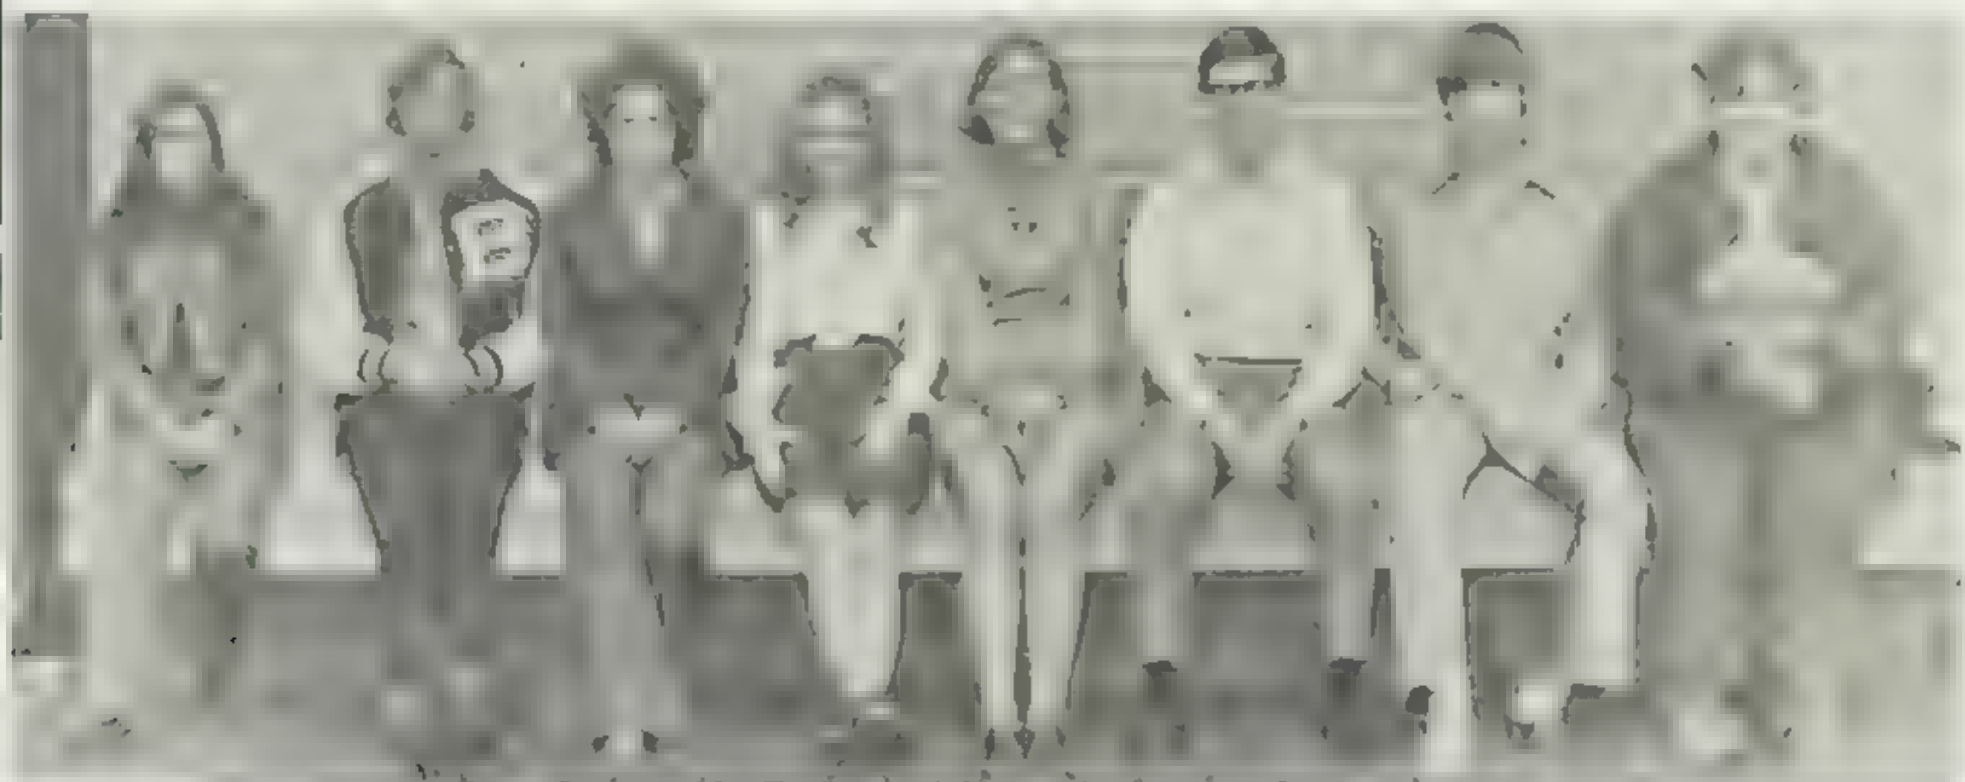

The senior's traditional magazine sale was held October 19th through the 27th. The total amount of money made was \$7,508.4. Richard Wheeler, the highest salesman, sold \$322.50 worth of magazines. Prizes were awarded for each magazine sold. The money went toward the senior prom.

Lisa Amlong, Bill Vargo, Becky Rottman, Donna York, Martha Futch, Richard Wheeler, Mike Clark and Roberta Campbell were the top senior salesmen.

Exchange Students

Harvey arrived in Tampa August 1, 1972. He has been interested in language and history and became interested in the exchange program when a former exchange student came to his class and told about the program. Feeling that he had a very slim chance he and 19 others were chosen out of 80 candidates.

Henry enjoys reading very much, particularly contemporary novels and stories with an interesting historical background. He likes to watch movies which have a realistic ending. "I don't like to go to bed late, but when there is a good movie" he explained. His favorite pet is his poodle "Harvey" which is a present from his host family. When he returns to Germany in July he plans on taking his dog.

"School is as dull here as it is in Germany," Harvey says, "but I know there exists no perfect country and I can honestly say that the U.S. can be a nice place to live."

Harmut Renziehausen from West Berlin, Germany

Ann Ehnstrom from Helsinki, Finland

Ann was born in Helsinki, Finland, September 13, 1955. After this year as an exchange student in Brandon, she'll go back to Finland and finish two more years of school. The school in Finland is very hard and doesn't leave her time for other activities. She will try to keep up with her jazz and ballet which she takes 3 to 10 hours a week. During the holidays she works and travels.

Ann would like to travel through the Soviet Union to Japan and to India. The summer after next she plans to go to France and stay.

After schooling Ann wants to study to be a psychiatrist.

Susan Anne Guingona from Manila, Philippines.

Susan was born in Manila, Philippines on July 25, 1955. For 8 years she went to school away from home as an intern and came home only on holidays. The third of five children, she says she is the most aggressive one. She loves to play the guitar, cook, dance, swim, and most of all paint her fingernails.

Susan describes herself as a gregarious character by nature who loves to meet all kinds of people. She believes that traveling is a form of education and having contact with a lot of people is a way of learning about feelings that no one can learn from books or a classroom.

Through her travels she hopes to reach at least a few people and help bring about a better understanding between the U.S. and the Philippines. "At least I would like to try to do my best to be an ambassador of goodwill for the Filipino people," she says.

Terje was born in Stockholm, the capital of Sweden, on April 19, 1955. Some of his hobbies are magic, dancing, and international politics. Here at Brandon High he is involved with many clubs and activities. These include Interact, Paramed, Drama, Beta Club, the track team, and student government. Terje also enjoys playing the clarinet and saxophone in the Brandon High Band. He says it is a pleasure to visit in the U.S. and to learn about the people and customs even though he doesn't agree with everything. He says, "I like it here in America, but home is always best."

Beauty highlighted the annual Calendar Girl Contest held October 13, 1972 in the school auditorium. From the 42 finalists selected in a preliminary contest, a cover girl and 12 other young ladies were chosen to grace each calendar month. Panels of professional men and women from Tampa judged both the preliminary and final contests. The contestants, chosen by homerooms and clubs, were rated on poise, choice of outfit and beauty of face.

Spirit Week

The week of November 13th through the 17th was spirit week. The activities consisted of Dress-Up Day, Hick Day, Silent Day, Clash Day, and Sign Day.

A special pep assembly, the Hop-n-Eagle, was held on Thursday night. The climax of Spirit Week was the Homecoming game against Jefferson after which was a dance in the cafeteria.

HOP -N- EAGLE

Thursday, November 16, was the annual Hop-n-Eagle. It was sponsored by Interact. Many clubs prepared funny skits representing our team and Ellerslie, the opposing team. The attendance was great and the spirit was even better.

What's Hop-n-Eagle without our BHS Super Eagle?

Queen

Mr. H. J. ... and Linda McWaters is the 1977 Homecoming Queen.

Linda McWaters was born in San Antonio, Texas, February 7, 1955. She attended Texas Mountain High and has lived in Branson for many years.

She is currently Student Advisory Committee member of Y-Teen. For the past year she was elected Treasurer.

Linda enjoys riding, horse pack riding, traveling and skiing. She plans to attend Hillsborough Junior College and then settle down.

Home Coming

This year Homecoming 1940 was against Jefferson. The dance that followed was held in the cafeteria at Grandon High. "The Garden of Eden" was the theme. Great effort and time went into preparing for the event.

A special dance was reserved for the Queen and her Court.

Miss Gonzalez explains the French culture.

The French Club has been busy trying to develop a better understanding of French culture, doing service projects for the school and community and presenting members with a chance to study and use French outside of the classroom. Learning French songs also aided in acquainting the students with the language and customs of France. Wearing red, white and blue jerseys, French colors, members enjoyed the sights at Disney World. Miss Gonzalez, sponsor of the club, enjoyed working with the French students. President and Vice President were Nancy Lentz and Debbie Alderman.

The appreciation of the Spanish language and culture was the goal of the Spanish Club. Members practiced this aim by listening to a Spanish tape on the earphones. The members of the Spanish Club were students enrolled in Spanish classes. All of the club activities were determined by the members and club sponsors, Mr. Chandler and Mrs. Lopez.

Mrs. Schnurr, Latin Club sponsor, explains the language

Latin members concentrated on the study of Roman culture, literature and spirit as well as the Latin language. The members promoted an interest in Latin through special activities such as district and state forums. Latin students participating in the activities of the Lower Classical League learn through study and recreation to use and apply the Latin language correctly. The President of the club was Barry Freshour. Vice-President was Kyle Ramsay, and the Treasurer was Margaret Timons.

Paramed

Boasting the largest membership in recent years, the Paramed club took part in many programs designed to help those interested in gaining knowledge of the fields associated with medicine. Included in those projects were trips to area hospitals, guest speakers and films on subjects such as pathology, atomic medicine and dentistry. The officers are President Bill Hild, 1st and 2nd V-Pres Richard Ruth and Tom Clark. Secretary Vickie Gutshaw. Treasurer Francis Bishop. Mrs. Brewster and Mr. Less were the sponsors.

Forensics

The main purpose of the Forensic League was to encourage in every way oral communication through participation in the various areas of dramatics, debate, original oratory and extemporaneous speaking. The activities of the club centered around participating in contests throughout District IV, which included 22 counties. Forensic League members also presented special programs for local clubs.

Because the Forensic League had such a unique set up, no officers as such were elected. Instead the chairman was Rick Davis, and the co-chairman was Lois Bartels.

Forensic means "speech competition". It was the club's primary aim to represent the school, by giving the highest quality performance possible. Furthermore, the Brandon Forensic League aided the school in every way possible by providing dynamic, thought-provoking speakers whenever the need arose.

Praising Jesus and talking with God is what Christian Fellowship of Students is all about. In the mornings they formed a circle, holding hands and had prayer. Starting second semester they had a Bible study. Various speakers would come and speak to the students and they would sing songs of the Christian faith. Mrs. Bartels was the sponsor.

ROTC

ROTC, Reserve Officers Training Corps' main purpose is to provide military instruction which will benefit the cadets, the community, and be of value to the Department of the Army. The Jr. ROTC Unit of Hillsborough County was established in 1935 at Hillsborough and Plant High Schools. The ROTC program came to Brandon High this year and was commanded by Lt. Col. William A. Johnson. The program boasts an enrollment of approximately 130 cadets.

Some of their extra activities were Honor Drill Platoons, an ROTC rifle team and band, and a military ball.

INTERACT COACH

Donated to the students of BHS, Interact purchased the two scoreboard flaps to display the varsity and junior varsity player names.

Interact Club is a service organization affiliated with the Brandon Rotary Club.

Some of Interact's projects each year are printing and selling student directories, sponsoring the Hop-n-Eagle pep rally, and each week during the football season awarding the Player of the Week award.

One new project this year was initiating a Senior of the Week award given to a boy and girl who have shown exceptional service to the school. A joint project with Anchor Club was numbering the faculty's parking places.

ANCHOR

One of the most active service clubs at Brandon High School, Anchor provided both school and community with many benefits. They began the new school year by helping other clubs guide students to their classes. Participating in the annual Hop-n-Eagle Pep Rally was a big part of their year, along with their joint service project with Interact, painting the faculty parking lot.

This year's officers were President, Laura Vanatter; Vice-president, Denise Knox; Treasurer, Kim McMaster; Secretary, Cathy Cuddihy; and Sgt. at Arms, Debbie Davenport.

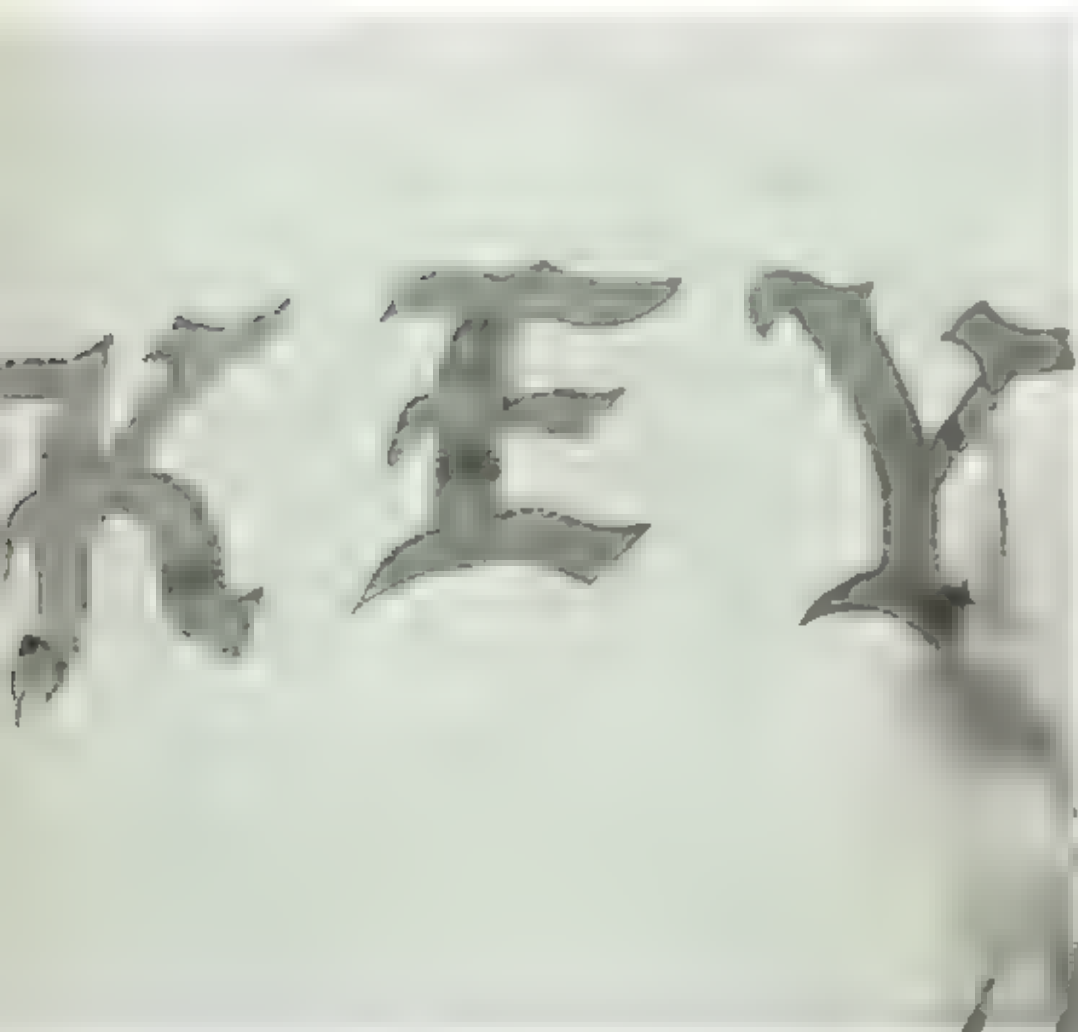

Painting "Faculty" can be a messy job.

The main purpose of the Key Club is to serve the community and the school. The Key Club has taken part in many PHS activities this past year. They participated in the Hop-a-shag and with the help of the Kiwanettes, cleaned the student parking lot. Key Club Sweetheart was Sharon Hutchinson. The annual initiation was held September 14th when 20 boys became new members.

As an outstanding service club, the Kiwanettes work hard for their school and community. To help the school the Kiwanettes, along with Key, distributed garbage cans around the school, cleaned the student parking lot, and put on a skit for the Hop-n-Eagle Pep Rally. They also helped sort cans at Thanksgiving and gave a Christmas party for underprivileged children.

Their money making project was selling flair pens which came in assorted scents. Y-Teens donated Christmas trees and ornaments to group homes at Seffner Juvenile Home. They also framed pictures of Principals Mr. Randall, Mr. McLane, and Mr. Flagg and presented them to Mr. Flagg.

This year's president was Rebecca Rush, Vice Pres., Brenda Gower, Sec., Ginger Hall; and Treas. Janis Sparks.

Helping exceptional children and giving them parties were two of the main projects by the Leo Club. A fund raising project was selling Eagle folders. Two members went every other Tuesday to Russel's Pan-Tree for a meeting with the Lion's Club, their civic sponsor. Mr. Poli is the faculty sponsor. Leo is an active service club which held meetings every Tuesday after school.

The purpose of the school newspaper was to help promote school spirit and to draw the student interests to things surrounding them. This year the Emblem staff had their own printing press so that the paper could come out more frequently. This year's editor was Gay Armstrong, and the co-editor was Mike Lindow. Mrs. King supervised the publishing and distribution of the Emblem, which was widely circulated throughout the school.

Many hours of typing and discussion go into the planning of the Emblem.

Steve and James talk to Mr. Nelson about future plans for the Student Government

President—Steve Diaz
V President—James Dudley
Secretary—Rue Edwards
Treasurer—Kim Martinez

The major function of the Student Government is to serve as a link between the students, teachers, and the deans. They did an excellent job in this field of service.

Some of the many projects were organizing the orientation day for the new school, selling beat tags for the football season, sponsoring a jam session in March, and taking over the procedures of electing Senior Notables.

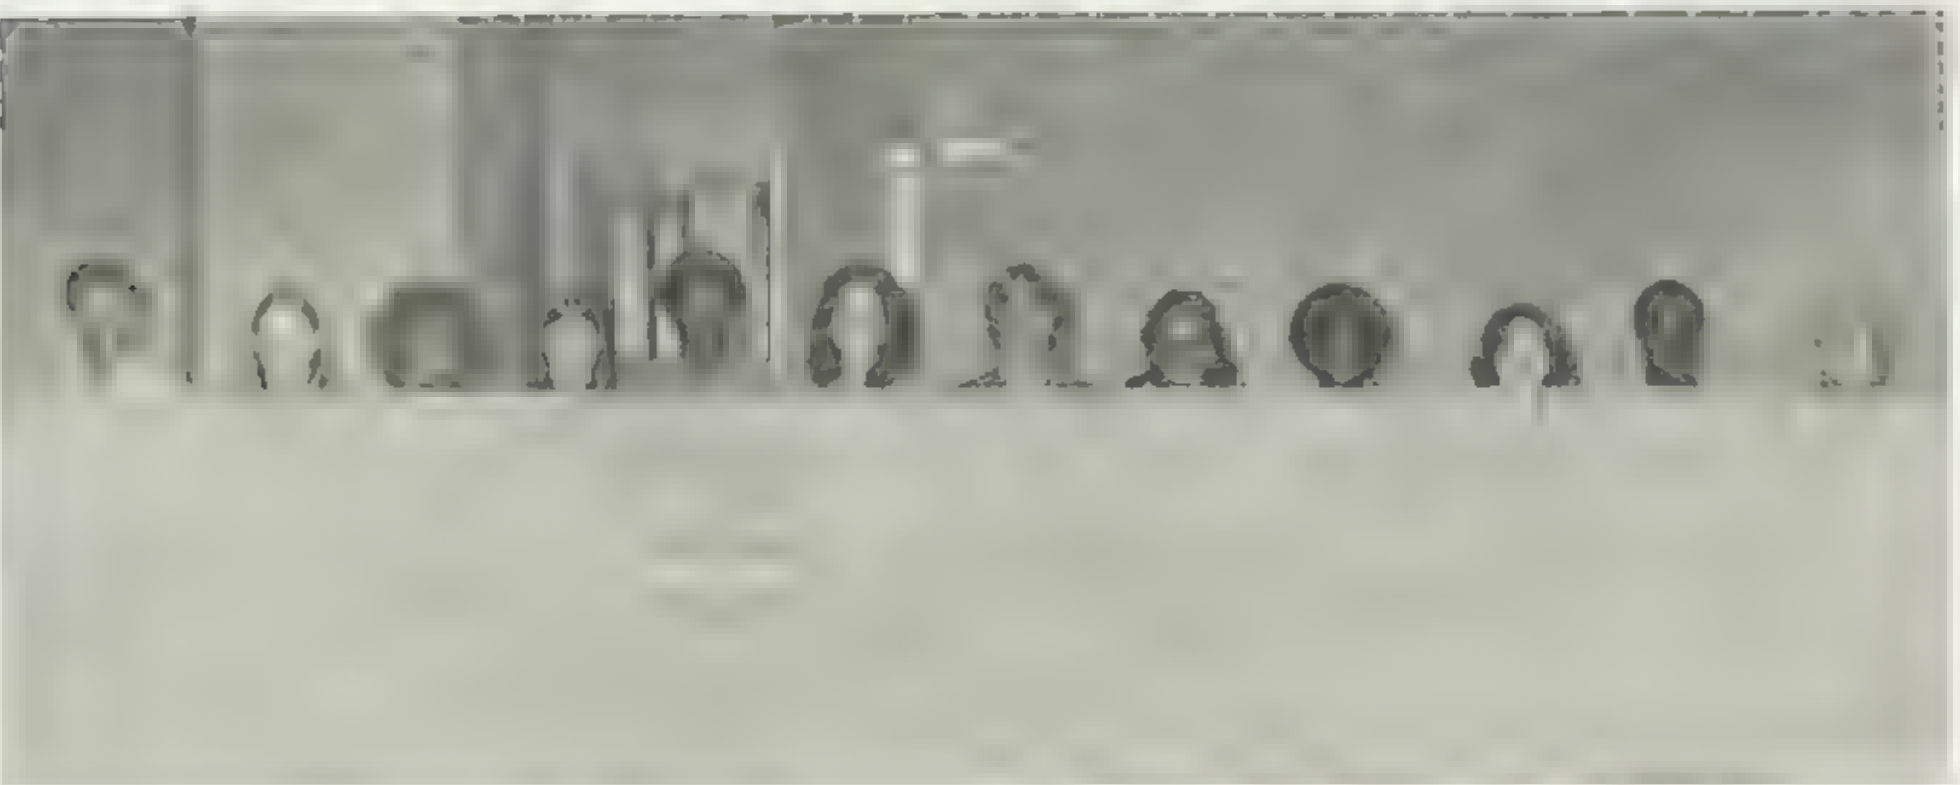

The Student Government was greatly concerned about the school and the "unity" of the students. This unity was accomplished by the help of the students of Brandon High School.

James Dudley took over the presidential responsibilities following Steve Diaz's resignation at the end of the first semester.

The major function of the Bi-Racial Committee was to promote and assist groups consisting of minority and non-minority students to develop mutual and inter-racial understandings through planning and conducting extra-curricular activities. They conducted regular rap sessions with students not on the committee. The committee was used to help smooth out racial integration.

Mrs. Ward and Mr. Jones, the sponsors, were there to help solve any problems that arose.

The committee was made up of sophomores, juniors, and seniors, equally divided between blacks and whites.

Brandon High students have always been proud of the band for its great music and superior ratings. Many times when the football game was going poorly and the student spirit was low, the band managed to get people stomping and clapping and into the spirit.

The band of approximately 120 students was under the instruction of Mr. Lonnie Keen.

Orchestra

The Brandon High School orchestra played in many different places this year. They performed several times for the student body in the auditorium and also for all the principals of Hillsborough County. They gave a concert in Sun City for a men's club and several of their members attended All State Clinic at the University of Florida. The entire orchestra participated in the Florida Orchestra Association Contest at Florida State University.

Mr. Crone spent much time working with the Concert Choir

The Concert Choir was able to contribute much more to Brandon High this year than ever before due to the new building and better facilities. On September 28, 1962 they sang at the dedication of the new school in the new auditorium. There were special music assemblies which gave the student body a chance to hear the Concert Choir perform along with various other groups. The orchestra and chorus performed Gloria by Vivaldi in the annual Christmas concert which required many night rehearsals along with the daily practice during school. Besides various activities around the school they participated in Contest and gave concerts at many local churches on Sunday nights. Mickey Derry was president of Concert Choir and James Dudley served as vice president.

Diane Erwin served as a guide at the Dedication of the new school

Twenty hospitality girls in maroon and white hot pants outfits greeted and welcomed many different guests and officials at football and basketball games this year. In addition they served cokes to all the cheerleaders and football players both at home and away games. They served the pressbox and ran errands for reporters and photographers as well as helping out at the Dedication service. As their service to the school they escorted new students around and served as guides for out-of-town guests

Dancerettes

In addition to their excellent performances during halftime, and their annual participation in the Gasparilla and Strawberry Festival parades, the Dancerettes, Majorettes and Color Guards made a debut appearance with the band in a parade at Disney World. They helped lead the expedition by selling BHS trash cans at the beginning of the year. To top off their prize-winning season, they won a superior rating at district contest for the sixteenth year in a row.

Beta

Beta Club is a nationally chartered honor-service club for high school students. The purpose of this club is to promote honesty, service, and leadership among high school students, to reward meritorious achievement and to encourage and assist students to continue their education after high school.

Beta Club served the community and the school by participating in such activities as Walk for Mankind, cleaning the school grounds, selling bumper strips and attending the Beta convention in the spring.

This year's officers were: Cheryl Hazzard, Pres., Eddie Ciesla, V. Pres., Gale Ciesla, Sec., Lynn Willerton, Tres. and Vickie Singletary, Sgt. at arms.

With Mrs. Clements and Mr. Lanier, as sponsors, the club presented interesting skits and programs for the students.

It was the group responsible for the sound and lighting of the auditorium. This job is a very responsible one, requiring care and use of spotlights, microphones and other sophisticated equipment. These young men volunteer their time, an average of 2-3 nights a week.

HIGH-Q

Jim and Tim settle a dispute over an answer to a question

High Q and Categorically Speaking contestants were chosen from junior and senior applicants with a minimum grade point of 3.0. Each applicant was then interviewed to determine scholastic ability, maturity, spirit of competition, and interest in becoming a participant. It was important that the student not be shy since they would be in front of TV cameras. Each student was asked to give a short answer to a question so that a good team balance could be achieved. The High Q team, composed of four members and one alternate, competed with King and lost. Five members and one alternate made up the Categorically Speaking team. Brandon won the game against the Eagles and Tampa Catholic on January 8. Brandon played a run off game against Hillsborough March 12th.

Coach Stokes' assistants keep game stats.

This year the varsity basketball team showed great achievement. Through constant struggle during each game, the boys showed a strong determination to win. The boys pride and desire to win helped keep the team going. One of the biggest upsets of the year was when the Brandon Eagles beat the Hill-borough Terrers 70-69. The win came when Hill-borough's Mike Brown fouled Buddha Ochs giving him a foul shot that won the game. There was a lot of excitement during the games and there was always a great turnout. The fans showed their support and spirit.

The top scorer was senior Kent Glover who was 2nd place scorer in the Western Conference.

Kneeling - Jay Petree, Greg Watson, Robert Hull, Ralph Smyth, Dan Dempsey. Standing l-r: Leland Watson, Tim Bird, Charles Glock, Tom McBride, David Guess, Coach Trojak.

Under the leadership of Coach Paul Trojak, the team came through with many strong performances. They had a good season with a record of 8-10. They showed that they had the ability it takes to make a team. These players will add much experience to the varsity team next year. Tim Bird was the leading scorer with an average of 20.7, and did a great job by scoring 42 points against Plant City.

Sherry Herndon served as the swim team manager

This year the swim team had a new swim coach, Dave Naffziger. He is an experienced coach who has done a great deal of swimming himself.

Everyday the Eagle tankers set about the task of swimming countless laps at the Interbay Pool in Tampa. In order to practice, the swimmers traveled 40 miles a day to swim. Early in the season, practice was hampered by cold water and poor weather.

At the beginning of the season, the team sold 1000 lbs. of candy to earn money to pay for their swim suits, t-shirts, and pay expenses to the Woodson Invitational in Ft. Lauderdale. Besides this meet the swimmers placed high in the Conference as well as the City Meet and the Leto Invitational. Faced with a tough dual meet schedule the team came thru with an excellent record in preparing for District and State.

Bolstered by several returning players from last year's squad, the Brandon High Tennis Teams, both boy's and girl's, provided excellent competition for their opponents in each match played this year.

Coaches Ron Brewer and Jan Homdahl, both new to the school this year, trained the players well in the basics of the sport. Leading each squad as number one players were Lee Knox and Sharolyn Little, both players with a great deal of experience.

This year's baseball team at Brandon High School offered a promising season under a new coach, Paul Read.

The team was composed primarily of juniors and seniors with a roster of 20 members.

Baseball at Brandon High consisted of a well-rounded team with 11 returning players.

The fighting eagles faced a schedule of 16 games this year. The spring season found the eagles at home for 8 games and away for 8.

But, for once I'm at
a loss for words
really I enjoyed knowing
you for this past year & its
been a lot of fun too. You've
got a fantastic personality with
looks to match. (You'll probably have an
ego to match of this) I really hope that
we can keep in touch despite distances. God
bless you! I'll never forget you and you would
facial expressions. Try not to forget me (at least for a
month.)
Love Always,
Sue '73"

Willy Bottins, 73'

It's been somewhat
of a pleasure trying to get to
know you! You are terribly
difficult! Don't forget SAVIA on!
Right arm - cut it off - throw up!
Hey and you and the Brusser
had better be glad that I
didn't tell that you and
him did the you on Cronella!
Remember District & State and
us taking a ride to Kiss! And
you threw my brush out the
window and we ran for!
And all the bugs we shared
and the play (you) And your pants
got hand-towel washed! Well
just remember all that and me!
Good Luck & God Bless.

Much Love, Beth
Boyd 73'
